

## FINAL TERMS

**Prohibition of Sales to EEA Retail Investors** – The Subordinated Instruments are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the "EEA"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the "Insurance Distribution Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "EU PRIIPs Regulation") for offering or selling the Subordinated Instruments or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Subordinated Instruments or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

**Prohibition of Sales to UK Retail Investors** – The Subordinated Instruments are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom ("UK"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law in the UK by virtue of the European Union (Withdrawal) Act 2018 ("EUWA"); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (as amended, the "FSMA") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law in the UK by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law in the UK by virtue of the EUWA (the "UK PRIIPs Regulation") for offering or selling the Subordinated Instruments or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Subordinated Instruments or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

**MiFID II Product Governance / Professional Investors and Eligible Counterparties Only Target Market** – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Subordinated Instruments has led to the conclusion that: (i) the target market for the Subordinated Instruments is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Subordinated Instruments to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Subordinated Instruments (a "distributor") should take into consideration the manufacturer s' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Subordinated Instruments (by either adopting or refining the manufacturer s' target market assessment) and determining appropriate distribution channels.

**Singapore Securities and Futures Act Product Classification** – Solely for the purposes of its obligations pursuant to sections 309B(1)(a) and 309B(1)(c) of the Securities and Futures Act 2001 (2020 Revised Edition) of Singapore (as amended, the "SFA"), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA) that the Subordinated Instruments are "prescribed capital markets products" (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore).

- Moody's: Ba2
- S&P: BB+
- Fitch: BB+

### 3. REPLACEMENT INTENTION

The Issuer intends (without thereby assuming a legal obligation), during the period from and including the Issue Date to but excluding the Second Step-Up Date, that in the event of a redemption of these Subordinated Instruments at the Issuer's option pursuant to Condition 4.2 or a repurchase of these Subordinated Instruments, it will redeem or repurchase these Subordinated Instruments only to the extent the Aggregate Equity Credit of the Subordinated Instruments to be redeemed or repurchased does not exceed the Aggregate Equity Credit received by the Issuer or any Subsidiary from the sale or issuance by the Issuer or the relevant Subsidiary to third party purchasers (other than group entities of the Issuer) of replacement securities (but taking into account any changes in the assessment criteria under Standard & Poor's hybrid capital methodology or the interpretation thereof since the issuance of the Subordinated Instruments) (the "**Restrictions**").

The intention described above does not apply:

- (i) if, on the date of such redemption or repurchase, the rating assigned by Standard & Poor's to the Issuer is the same as or higher than the long-term corporate credit rating assigned to the Issuer on the date when the Issuer's most recent additional hybrid security was issued (excluding refinancings) and the Issuer is of the view that such rating would not fall below such level as a result of such redemption or repurchase; or
- (ii) if, on the date of such redemption or repurchase, the Issuer no longer has a corporate issuer credit rating by Standard & Poor's; or
- (iii) in the case of a redemption or a repurchase of the Subordinated Instruments if such redemption or repurchase, taken together with other redemptions or repurchases of hybrid securities of the Issuer, is of less than (x) 10 per cent. of the aggregate principal amount of the Issuer's outstanding hybrid securities in any period of 12 consecutive months or (y) 25 per cent. of the aggregate principal amount of the Issuer's outstanding hybrid securities in any period of 10 consecutive years, provided that in each case such redemption or repurchase has no materially negative effect on the Issuer's credit profile; or
- (iv) if, on the date of such redemption or repurchase, the statements made in the Restrictions set forth above are no longer required for the Subordinated Instruments to be assigned

an "equity credit" by Standard & Poor's that is equal to or greater than the "equity credit" assigned by Standard & Poor's on the Issue Date; or

- (v) if such replacement would cause the Issuer's outstanding hybrid capital which is assigned "equity credit" by Standard & Poor's to exceed the maximum aggregate principal amount of hybrid capital which Standard & Poor's, under its then prevailing methodology, would assign "equity credit" based on the Issuer's adjusted total capitalisation.

For the purpose of the Restrictions, Aggregate Equity Credit means (x) in relation to the Subordinated Instruments, the part of the aggregate Principal Amount of the Subordinated Instruments that was assigned "equity credit" by Standard & Poor's at the time of their issuance; and (y) in relation to replacement securities, the part of the net proceeds received from issuance of such replacement securities that was assigned "equity credit" by Standard & Poor's at the time of their sale or issuance (or the "equity credit" Standard & Poor's has confirmed will be assigned by it upon expiry or waiver of issuer call rights which prevent the assignment of "equity credit" by Standard & Poor's on the issue date of such replacement securities).

#### 4. INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE

Save for any fees payable to the Joint Lead Managers, so far as the Issuer is aware, no person involved in the issue of the Subordinated Instruments has an interest material to the offer. The Joint Lead Managers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform other services for, the Issuer and its affiliates in the ordinary course of business.
