CHINA THREE GORGES (EUROPE), S.A. Settlement of the Placing shall occur on 19 January 2021. Following settlement of the Placing, CTG will hold 754,740,000 shares in EDP which will be subject to a 120-day lock-up, subject to certain exceptions.

BNP Paribas and Credit Suisse acted as Joint Bookrunners of the Placing.

This transaction complements other adjustments in CTG's position in EDP's share capital over the last 12 months, such as the sale of a 1.8% stake in EDP share capital through an accelerated bookbuilding in February 2020, as well as the subscription of EDP's €1bn capital increase in August 2020, in which CTG reinforced its shareholding position.

Following this transaction, CTG's stake in EDP's share capital stands at 19.0%, continuing to support the strategic partnership established between EDP and CTG more than 9 years ago, and which is a key pillar of CTG international strategy.

CTG reiterates its full commitment with this stable long-term partnership, as well as with the renewed management team of EDP and its strategy focused on the energy transition and of leadership in renewable energies at a global level.
