ERSE ANNOUNCES ELECTRICITY TARIFFS FOR 2021

Lisbon, December 15th, 2020: The Portuguese Electricity Regulator (“ERSE”) released today the final document regarding the “Tariffs and prices for electricity in 2021” in Portugal. The final document introduces no material change to EDP - Energias de Portugal, S.A. (“EDP”) nor to the evolution of the Portuguese electricity system’s regulatory receivables, when compared to the proposal presented by ERSE on last October 15th. Recall that following the disclosure of this proposal, EDP issued a press release to the market with the relevant numbers and conclusions.

This information is disclosed pursuant to the terms and for the purposes of the article 17 of Regulation (EU) No. 596/2014 of the European Parliament and of the Council and of article 248-A of the Portuguese Securities code.
