EDP Renováveis is awarded long-term CfD for 15 MW of wind at Greek energy auction

Lisbon, December 17th, 2018: Pursuant to the terms and for the purposes of the article 17 of Regulation (EU) No. 596/2014 of the European Parliament and of the Council and of article 248-A of the Portuguese Securities code, EDP - Energias de Portugal, S.A. ("EDP") is providing the following information to the market:

EDP Renováveis, S.A. ("EDPR"), 82.6% controlled by EDP, secured 20-year Contract-for-Difference ("CfD") at the Greek energy auction to sell electricity produced by Aerorrachi 15 MW wind farm, located in North Greece, and with expected commercial operation until 2021.

In July 4th 2018 EDPR announced the entrance in Greece with the award of a 20-year CfD for Livadi 45 MW wind farm. With this new contract EDPR reinforces its footprint in a new market with a sustainable development of its Renewable Energy Source.

As part of its growth strategy, EDPR continues to study worldwide opportunities while developing profitable projects focused in countries with low risk profile and regulatory stability.
