"**Permitted Security**" means:

- (i) in the case of a consolidation or merger of EDP with or into another company (the "**Combining Company**") any Security Interest over assets of EDP if it is the surviving company or the company (if other than EDP) surviving or formed by such consolidation or merger **provided that**: (1) such Security Interest was created by the Combining Company over assets owned by it; (2) such Security Interest is existing at the time of such consolidation or merger; (3) such Security Interest was not created in contemplation of such consolidation or merger; and (4) the amount secured by such Security Interest is not increased thereafter; or
- (ii) any Security Interest on or with respect to assets (including but not limited to receivables) of the Issuer or, if EDP B.V. or EDP SFE is the Issuer, EDP which is created pursuant to any securitisation or like arrangement in accordance with normal market practice and whereby the indebtedness secured by such Security Interest or the indebtedness in respect of any guarantee or indemnity which is secured by such Security Interest is limited to the value of such assets; or
- (iii) any Security Interest securing any indebtedness incurred in relation to any asset for the purpose of financing the whole or any part of the acquisition, creation, construction, improvement or development of such asset where the financial institutions to whom such indebtedness is owed have recourse solely to the applicable project borrower (where such project borrower is formed solely or principally for the purpose of the relevant project) and/or such asset (or any derivative asset thereof) and/or the shares held in such project borrower.

"**Person**" means any individual, company, corporation, firm, partnership, joint venture, association, organisation, state, agency of a state or other entity, whether or not having separate legal personality.

5. **Interest**

The Final Terms will indicate whether the Instruments are Fixed Rate Instruments, Floating Rate Instruments or Zero Coupon Instruments.

5.1 *Interest on Fixed Rate Instruments*

Each Fixed Rate Instrument bears interest from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date if that does not fall on an Interest Payment Date. For so long as any of the Fixed Rate Instruments is represented by a Global Instrument interest will be calculated on the aggregate outstanding nominal amount of the Fixed Rate Instruments represented by such Global Instrument. In respect of each definitive Fixed Rate Instrument, interest will be calculated on its outstanding nominal amount. Interest on Fixed Rate Instruments which are Book Entry Instruments will be calculated on the full outstanding nominal amount of the Fixed Rate Instruments and will be paid to the Affiliate Members of Interbolsa for distribution by them to the accounts of entitled Book Entry Instrumentholders in accordance with Interbolsa's usual rules and operating procedures.

If Instruments are in definitive form, except as provided in the Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the Final Terms, amount to the Broken Amount so specified.

Except in the case of Instruments in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Instruments which are (i) represented by a Global Instrument or (ii) Registered Instruments in definitive form, the aggregate outstanding nominal amount of (A) the Fixed Rate Instruments represented by such Global Instrument or (B) such Registered Instrument; or
- (B) in the case of Fixed Rate Instruments which are Bearer Instruments in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction.

The resultant figure (including after application of any Fixed Coupon Amount or Broken Amount, as applicable, to the aggregate outstanding nominal amount of Fixed Rate Instruments which are Registered Instruments in definitive form or the Calculation Amount in the case of Fixed Rate Instruments which are Bearer Instruments in definitive form) shall be rounded to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Where the Specified Denomination of a Fixed Rate Instrument which is a Bearer Instrument in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Instrument shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

"Day Count Fraction" means, in respect of the calculation of an amount of interest for any Fixed Interest Period:

- (i) if **"Actual/Actual (ICMA)"** is specified in the Final Terms:
 - (a) in the case of Instruments where the number of days in the relevant period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (the **"Accrual Period"**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the

number of Determination Dates (as specified in the Final Terms) that would occur in one calendar year; or

- (b) in the case of Instruments where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the Final Terms) that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if "**30/360**" is specified in the Final Terms, the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360; and
- (iii) if "**Actual/365**" or "**Actual/Actual (ISDA)**" is specified in the Final Terms, the actual number of days in the Fixed Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Fixed Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Fixed Interest Period falling in a non-leap year divided by 365).

In these Conditions:

"Determination Period" means the period from and including a Determination Date to but excluding the next Determination Date;

"Fixed Interest Period" means the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or first) Interest Payment Date; and

"sub-unit" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

5.2 *Interest on Floating Rate Instruments*

- (a) **Interest Payment Dates:** Each Floating Rate Instrument bears interest from and including the Interest Commencement Date and such interest will be payable in arrear on either:
 - (i) the Specified Interest Payment Date(s) (each an **"Interest Payment Date"**) in each year specified in the Final Terms; or
 - (ii) if no Specified Interest Payment Date(s) is/are specified in the Final Terms, each date (each an **"Interest Payment Date"**) which falls the number of months or other period specified as the Specified Period in the Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In these Terms and Conditions, **"Interest Period"** means the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or first) Interest Payment Date or the relevant payment date if the Instruments become payable on a date other than an Interest Payment Date. For so long as any of the Floating Rate Instruments is represented by a Global Instrument held on behalf of Clearstream, Luxembourg and/or Euroclear Bank, interest will be calculated on the aggregate outstanding nominal amount

of the Instruments represented by such Global Instrument. In respect of each definitive Floating Rate Instrument, interest will be calculated on its outstanding nominal amount. Interest on Floating Rate Instruments which are Book Entry Instruments will be calculated on the full outstanding nominal amount of the Floating Rate Instruments will be paid to the Affiliate Members of Interbolsa for distribution by them to the accounts of entitled Book Entry Instrumentholders in accordance with Interbolsa's usual rules and operating procedures.

If a Business Day Convention is specified in the Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 5.2(a)(i) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, "**Business Day**" means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre specified in the Final Terms; and
 - (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars, shall be Sydney) or (2) in relation to any sum payable in euro, a day on which the real time gross settlement system operated by the Eurosystem or any successor system ("**T2**") is open.
- (b) *Rate of Interest:* The Rate of Interest payable from time to time in respect of Floating Rate Instruments will be determined in the manner specified in the Final Terms (which shall specify whether ISDA Determination or Screen Rate Determination is applicable).

(c) *ISDA Determination for Floating Rate Instruments:* Where ISDA Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Final Terms) the Margin (if any). For the purposes of this Condition 5.2(c), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Issue and Paying Agent or the Calculation Agent, as applicable, under an interest rate swap transaction if the Issue and Paying Agent or the Calculation Agent, as applicable, were acting as Calculation Agent (as defined in the ISDA Definitions) for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

(i) if the Final Terms specify either "2006 ISDA Definitions" or "2021 ISDA Definitions" as the applicable ISDA Definitions:

(A) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;

(B) the Designated Maturity (as defined in the ISDA Definitions), if applicable, is a period specified in the relevant Final Terms;

(C) the relevant Reset Date (as defined in the ISDA Definitions), unless otherwise specified in the relevant Final Terms, has the meaning given to it in the ISDA Definitions;

(D) if the specified Floating Rate Option is an Overnight Floating Rate Option (as defined in the ISDA Definitions), Compounding is specified to be applicable in the relevant Final Terms and:

(1) if Compounding with Lookback is specified as the Compounding Method in the relevant Final Terms then (a) Compounding with Lookback is the Overnight Rate Compounding Method and (b) Lookback is the number of Applicable Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms;

(2) if Compounding with Observation Period Shift is specified as the Compounding Method in the relevant Final Terms then (a) Compounding with Observation Period Shift is the Overnight Rate Compounding Method, (b) Observation Period Shift is the number of Observation Period Shift Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms and (c) Observation Period Shift Additional Business Days (as defined in the ISDA Definitions), if applicable, are the days specified in the relevant Final Terms; or

(3) if Compounding with Lockout is specified as the Compounding Method in the relevant Final Terms then (a) Compounding with Lockout is the Overnight Rate Compounding Method, (b) Lockout is the number of Lockout Period Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms and (c) Lockout Period Business Days, if applicable, are the days specified in the relevant Final Terms;

(E) if the specified Floating Rate Option is an Overnight Floating Rate Option (as defined in the ISDA Definitions), Averaging is specified to be applicable in the relevant Final Terms and:

(1) if Averaging with Lookback is specified as the Averaging Method in the relevant Final Terms then (a) Averaging with Lookback is the Overnight Rate Averaging Method and (b) Lookback is the number of Applicable Business Days (as

defined in the ISDA Definitions) specified in relevant Final Terms;

- (2) if Averaging with Observation Period Shift is specified as the Averaging Method in the relevant Final Terms then (a) Averaging with Overnight Period Shift is the Overnight Rate Averaging Method, (b) Observation Period Shift is the number of Observation Period Shift Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms and (c) Observation Period Shift Additional Business Days (as defined in the ISDA Definitions), if applicable, are the days specified in the relevant Final Terms; or
 - (3) if Averaging with Lockout is specified as the Averaging Method in the relevant Final Terms then (a) Averaging with Lockout is the Overnight Rate Averaging Method, (b) Lockout is the number of Lockout Period Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms and (c) Lockout Period Business Days, if applicable, are the days specified in the relevant Final Terms; and
 - (F) if the specified Floating Rate Option is an Index Floating Rate Option (as defined in the ISDA Definitions) and Index Provisions are specified to be applicable in the relevant Final Terms, the Compounded Index Method with Observation Period Shift (as defined in the ISDA Definitions) shall be applicable and, (a) Observation Period Shift is the number of Observation Period Shift Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms and (b) Observation Period Shift Additional Business Days, if applicable, are the days specified in the relevant Final Terms;
- (ii) references in the ISDA Definitions to:
- (A) **"Confirmation"** shall be references to the relevant Final Terms;
 - (B) **"Calculation Period"** shall be references to the relevant Interest Period;
 - (C) **"Termination Date"** shall be references to the Maturity Date;
 - (D) **"Effective Date"** shall be references to the Interest Commencement Date; and
- (iii) if the Final Terms specify **"2021 ISDA Definitions"** as being applicable:
- (A) "Administrator/Benchmark Event" (as defined in the 2021 ISDA Definitions) shall be disappplied; and
 - (B) if the Temporary Non-Publication Fallback in respect of any specified Floating Rate Option is specified to be "Temporary Non-Publication Fallback – Alternative Rate" in the Floating Rate Matrix of the 2021 ISDA Definitions the reference to "Calculation Agent Alternative Rate Determination" in the definition of "Temporary Non-Publication Fallback – Alternative Rate" shall be replaced by "Temporary Non-Publication Fallback – Previous Day's Rate".

For the purposes of this Condition 5(c):

"2006 ISDA Definitions" means, in relation to a Series of Instruments, the 2006 ISDA Definitions (as supplemented, amended and updated as at the date of issue of the first Tranche of the Instruments of such Series) as published by ISDA (copies of which may be obtained from ISDA at www.isda.org);

"2021 ISDA Definitions" means, in relation to a Series of Instruments, the latest version of the 2021 ISDA Interest Rate Derivatives Definitions (including each Matrix (and any successor Matrix thereto), as defined in such 2021 ISDA Interest Rate Derivatives Definitions) as at the date of issue of the first Tranche of Instruments of such Series, as published by ISDA on its website (www.isda.org); and

"ISDA Definitions" has the meaning given in the relevant Final Terms.

- (iv) For the avoidance of doubt, but not withstanding anything to the contrary in these Conditions, any requirement under the ISDA Definitions for the Calculation Agent (as defined therein): (a) to give notice of a determination made by it to any other party will be deemed to be a requirement for the Calculation Agent (as defined in these Conditions) to provide an equivalent notice to the relevant Issuer; and (b) to consult with the other party or the parties will be deemed to be a requirement to consult with the relevant Issuer and such consultation is required only when the Calculation Agent determines in good faith that it is necessary. Any such notice or (if deemed to be necessary by the Calculation Agent as foreshaid) consultation may be given or carried out orally or in writing (including by electronic mail or communications). In addition the right of any party under the ISDA Definitions to require the Calculation Agent to take any action or fulfil any responsibility will be deemed to be solely the right of the relevant Issuer to require this of the Calculation Agent in its discretion and no Holder will have any right to require the Issuer to do this.

If the Rate of Interest for the relevant Interest Period cannot be determined in accordance with the above provisions, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the sum of the Margin (if applicable) and the rate or (as the case may be) the arithmetic mean last determined in relation to the Instruments in respect of the immediately preceding Interest Period. If any adjustment, fallback, modification, correction or replacement of a Rate of Interest applies pursuant to the ISDA Definitions or the reference interest rate swap transaction thereunder then, in relation thereto, the Calculation Agent may but shall not be required to take into account any such adjustment, fall back, modification, correction or replacement (including by reference to any hedging arrangements for the relevant Series of Instruments) and make any related or consequential changes to these Conditions (including without limitation any technical, administrative or operational changes, changes to the definition of "Interest Period", timing and frequency of determining of rates and making payments of interest and changes to the definition of Designated Maturity) that the Calculation Agent determines to be appropriate in a manner substantially consistent with market practice (or, if the Calculation Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Calculation Agent determines that no appropriate market practice exists, in such other manner as the Calculation Agent determines is reasonably necessary).

The Issuer and the Calculation Agent will have the right to make such related or consequential changes to these Conditions from time to time, without any requirement for the consent or approval of the Trustee or Holders.

Any determination, decision or election that may be made by the Issuer and the Calculation Agent pursuant to this section:

- (i) will be conclusive and binding absent manifest error; and
- (ii) notwithstanding anything to the contrary in the documentation relating to the Instruments, shall become effective without consent from the holders of the Instruments, the Trustee or any other party.

The Trustee and the Issue and Paying Agent shall, at the request and expense of EDP and without the requirement for any consent or approval of the Holders,

concur with EDP, EDP B.V. and EDP SFE in effecting any related or consequential changes as may be required in order to give effect to this Condition 5.2(c)(iv) subject to receipt by the Trustee of the certificate referred to below, *provided however*, that neither the Trustee, the Calculation Agent nor the Issue and Paying Agent shall be obliged so to concur if in the reasonable opinion of the Trustee, the Calculation Agent or the Issue and Paying Agent (as applicable) doing so would have the effect of (i) exposing the Trustee, the Calculation Agent or the Issue and Paying Agent (as applicable) to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction or (ii) imposing more onerous obligations upon the Trustee, the Calculation Agent or the Issue and Paying Agent (as applicable) or expose them to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions in these Conditions, the Agency Agreement or the Trust Deed.

Notice of any related or consequential changes under this Condition 5.2(c)(iv) will be notified promptly by the Issuer to the Trustee and the Paying Agents and, in accordance with Condition 15 (*Notices*), the Holders. Such notice shall be irrevocable and shall specify the effective date of the changes, if any.

No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two of its Directors:

- (A) confirming related or consequential changes as determined in accordance with the provisions of this Condition 5.2(c)(iv); and
- (B) certifying that the relevant related or consequential changes are necessary.

The Trustee shall be entitled to rely on such certificate (without further enquiry and without liability to any person) as sufficient evidence thereof.

- (d) *Screen Rate Determination for Floating Rate Instruments:* Where Screen Rate Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be (other than in respect of Instruments for which SONIA, SOFR and/or €STR or any related index is specified as the Reference Rate in the relevant Final Terms), subject as provided below, either:

- (i) the offered quotation; or
- (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (as specified in the Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (Relevant Financial Centre time) on the Interest Determination Date in question plus or minus (as indicated in the Final Terms) the Margin (if any), all as determined by the Issue and Paying Agent or the Calculation Agent, as applicable. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Issue and Paying Agent or the Calculation Agent, as applicable, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (i) above, no offered quotation appears or, in the case of (ii) above, fewer than three offered quotations appear, in each case as at 11.00 a.m. (Relevant Financial Centre time), EDP and/or the Determination Agent, as applicable, shall request each of the Reference Banks, as applicable, to provide them with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11.00 a.m. (Relevant Financial Centre time) on the Interest Determination Date in question. If two or more of the Reference

Banks provide EDP or the Determination Agent, as applicable, with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the EDP or the Determination Agent, as applicable and notified to the Issue and Paying Agent, **provided that**, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

For the purposes of these Conditions, "**Reference Rate**" means EURIBOR, SONIA, SONIA Compounded Index, SOFR, SOFR Compounded Index, €STR or any other applicable benchmark as specified in the relevant Final Terms in respect of the currency and period specified in the relevant Final Terms. Other than in the case of U.S. dollar-denominated floating rate Instruments for which the "Reference Rate" is specified in the relevant Final Terms as being SOFR, the term Reference Rate shall, following the occurrence of a Benchmark Event under Condition 5.4 (*Benchmark Discontinuation (Independent Adviser)*), include any Successor Rate or Alternative Rate and shall, if a Benchmark Event should occur subsequently in respect of any such Successor Rate or Alternative Rate, also include any further Successor Rate or further Alternative Rate.

- (e) *Screen Rate Determination for Floating Rate Instruments referencing SONIA*: Where Screen Rate Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, "SONIA" is specified as the Reference Rate in the Final Terms and "Index Determination" is specified as "Not Applicable", the Rate of Interest for each Interest Period will, subject as provided below, be Compounded Daily SONIA plus or minus (as indicated in the relevant Final Terms) the Margin, all as determined by the Calculation Agent on each Interest Determination Date.

For the purposes of this Condition 5.2(e):

"**Compounded Daily SONIA**", with respect to an Interest Period, will be calculated by the Calculation Agent on each Interest Determination Date in accordance with the following formula, and the resulting percentage will be rounded, if necessary, to the fourth decimal place, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SONIA_i \times n_i}{D} \right) - 1 \right] \times \frac{D}{d}$$

"**d**" means the number of calendar days in:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the relevant Interest Period; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant Observation Period;

"**D**" is the number specified in the relevant Final Terms (or, if no such number is specified, 365);

"**d_o**" means the number of London Banking Days in:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the relevant Interest Period; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant Observation Period;

"i" means a series of whole numbers from one to d_o , each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the relevant Interest Period; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant Observation Period;

to, and including, the last London Banking Day in such Interest Period or, as the case may be, such Observation Period;

"Interest Determination Date" means, in respect of any Interest Period, the date falling "p" London Banking Days prior to the Interest Payment Date for such Interest Period (or the date falling "p" London Banking Days prior to such earlier date, if any, on which the Instruments are due and payable).

"London Banking Day" or **"LBD"** means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

"n_i", for any London Banking Day "i" in the relevant Interest Period or Observation Period (as applicable), is the number of calendar days from, and including, such London Banking Day "i" up to, but excluding, the following London Banking Day;

"Observation Period" means, in respect of an Interest Period, the period from, and including, the date falling "p" London Banking Days prior to the first day of such Interest Period and ending on, but excluding, the date which is "p" London Banking Days prior to the Interest Payment Date for such Interest Period (or the date falling "p" London Banking Days prior to such earlier date, if any, on which the Instruments become due and payable);

"p", for any Interest Period or Observation Period (as applicable), means the number of London Banking Days specified as the "Lag Period" or the "Observation Shift Period" (as applicable) in the relevant Final Terms or if no such period is specified, five London Banking Days;

"SONIA Reference Rate" means, in respect of any London Banking Day, a reference rate equal to the daily Sterling Overnight Index Average ("**SONIA**") rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or if the Relevant Screen Page is unavailable, as otherwise is published by such authorised distributors) on the London Banking Day immediately following such London Banking Day; and

"SONIA_i" means, in respect of any London Banking Day "i", the SONIA Reference Rate for:

- (i) where "Lag" is specified as the Observation Method in the relevant Final Terms, the London Banking Day falling "p" London Banking Days prior to the relevant London Banking Day "i"; or
- (ii) where "Observation Shift" is specified as the Observation Method in the relevant Final Terms, the relevant London Banking Day "i";

For the avoidance of doubt, the formula for the calculation of Compounded Daily SONIA only compounds the SONIA Reference Rate in respect of any London Banking Day. The SONIA Reference Rate applied to a day that is a non-London Banking Day will be taken by applying the SONIA Reference Rate for the previous London Banking Day but without compounding.

If, in respect of any London Banking Day in the relevant Interest Period or Observation Period (as applicable), the Calculation Agent determines that the SONIA Reference Rate

is not available on the Relevant Screen Page and has not otherwise been published by the relevant authorised distributors, such SONIA Reference Rate shall, subject to Condition 5.4 (*Benchmark Discontinuation (Independent Adviser)*), be:

- (i) the sum of (a) the Bank of England's Bank Rate (the "**Bank Rate**") prevailing at close of business on the relevant London Banking Day; and (b) the mean of the spread of the SONIA Reference Rate to the Bank Rate over the previous five London Banking Days on which a SONIA Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate; or
- (ii) if the Bank Rate is not published by the Bank of England at close of business on the relevant London Banking Day, (a) the SONIA Reference Rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding London Banking Day on which the SONIA Reference Rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) or (b) if this is more recent, the latest determined rate under paragraph (i) above.

Subject to Condition 5.4 (*Benchmark Discontinuation (Independent Adviser)*), if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this Condition 5.2(e), the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period) or (B) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to the Instruments for the first Interest Period had the Instruments been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin applicable to the first Interest Period).

- (f) *Screen Rate Determination for Floating Rate Instruments referencing SOFR*: Where Screen Rate Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, "SOFR" is specified as the Reference Rate in the Final Terms and "Index Determination" is specified as "Not Applicable", the Rate of Interest for each Interest Period will, subject as provided below, be the Benchmark plus or minus (as indicated in the relevant Final Terms) the Margin, all as determined by the Calculation Agent on each Interest Determination Date.

- (i) For the purposes of this Condition 5.2(f):

"**Benchmark**" means Compounded SOFR, which is a compounded average of daily SOFR, as determined for each Interest Period in accordance with the specific formula and other provisions set out in this Condition 5.2(f).

Daily SOFR rates will not be published in respect of any day that is not a U.S. Government Securities Business Day, such as a Saturday, Sunday or holiday. For this reason, in determining Compounded SOFR in accordance with the specific formula and other provisions set forth herein, the daily SOFR rate for any U.S. Government Securities Business Day that immediately precedes one or more days that are not U.S. Government Securities Business Days will be multiplied by the number of calendar days from and including such U.S. Government Securities Business Day to, but excluding, the following U.S. Government Securities Business Day.

If the Issuer determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred in respect of Compounded SOFR (or the daily SOFR used in the calculation hereof) prior to the relevant SOFR Determination Time, then the provisions under Condition 5.2(f)(ii) below will apply.

"Compounded SOFR" with respect to an Interest Period, means the rate of return of a daily compound interest investment computed by the Calculation Agent on each Interest Determination Date in accordance with the following formula (and the resulting percentage will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with 0.000005 being rounded upwards to 0.00001):

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SOFR_i \times n_i}{D} \right) - 1 \right] \times \frac{D}{d}$$

In connection with the implementation of a Benchmark Replacement, the Issuer will have the right to make Benchmark Replacement Conforming Changes from time to time, without any requirement for the consent or approval of the Trustee or Holders.

Any determination, decision or election that may be made by the Issuer pursuant to this section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection:

- (i) will be conclusive and binding absent manifest error;
- (ii) will be made in the sole discretion of the Issuer; and

- (iii) notwithstanding anything to the contrary in the documentation relating to the Instruments, shall become effective without consent from the holders of the Instruments, the Trustee or any other party.

For the purposes of this Condition 5.2(f)(ii):

"Benchmark" means, initially, Compounded SOFR, as such term is defined above; **provided that** if the Issuer determines on or prior to the Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Compounded SOFR (or the published daily SOFR used in the calculation thereof) or the then-current Benchmark, then "Benchmark" shall mean the applicable Benchmark Replacement.

"Benchmark Replacement" means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

- (i) the sum of: (A) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor and (B) the Benchmark Replacement Adjustment;
- (ii) the sum of: (A) the ISDA Fallback Rate and (B) the Benchmark Replacement Adjustment; or
- (iii) the sum of: (A) the alternate rate of interest that has been selected by the Issuer as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar-denominated floating rate instruments at such time and (B) the Benchmark Replacement Adjustment;

"Benchmark Replacement Adjustment" means the first alternative set forth in the order below that can be determined by the Issuer or its designee as of the Benchmark Replacement Date:

"Benchmark Replacement Conforming Change" means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the timing and frequency of determining rates and making payments of interest, rounding of amounts or tenors, and other administrative matters) that the Issuer decides may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Issuer decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer determines is reasonably necessary);

occurrence of an index cessation date with respect to the Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment;

"Unadjusted Benchmark Replacement" means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

- (iii) Any Benchmark Replacement, Benchmark Replacement Adjustment and the specific terms of any Benchmark Replacement Conforming Changes, determined under Condition 5.2(f)(ii) above will be notified promptly by the Issuer to the Trustee, the Agents and, in accordance with Condition 15 (*Notices*), the Holders. Such notice shall be irrevocable and shall specify the effective date on which such changes take effect.

No later than notifying the Trustee and the Agents of the same, the Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer:

- (j) *Determination of Rate of Interest and calculation of Interest Amounts:* The Issue and Paying Agent or the Calculation Agent, as applicable, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Issue and Paying Agent will calculate the amount of interest (the **"Interest Amount"**) payable on the Floating Rate Instruments in respect of each Specified Denomination for the relevant Interest Period.

The Issue and Paying Agent or the Calculation Agent, as applicable, will calculate the amount of interest (**"Interest Amount"**) payable on the Floating Rate Instruments for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Instruments which are represented by a Global Instrument, the aggregate outstanding nominal amount of the Instruments represented by such Global Instrument; or
- (B) in the case of Floating Rate Instruments in definitive form, the Calculation Amount,

and, in each case multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Instrument in definitive

form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Instrument shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30; and

- (vii) if "**30E/360 (ISDA)**" is specified in the Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Instruments are for the time being listed or by which they have been admitted to listing and to the Holders in

accordance with Condition 15 (*Notices*). For the purposes of this paragraph, the expression "**London Business Day**" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

- (l) *Linear Interpolation:* Where Linear Interpolation is specified as applicable in respect of an Interest Period in the Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Issue and Paying Agent or the Calculation Agent, as applicable, by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period **provided however that** if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the sum of the Margin (if applicable) and the rate or (as the case may be) the arithmetic mean last determined in relation to the Instruments in respect of the immediately preceding Interest Period.

"**Designated Maturity**" means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

- (m) *Determinations and calculations:* If for any reason at any time the Issue and Paying Agent defaults in its obligations to determine the Rate of Interest or in its obligation to calculate any Interest Amount in accordance with the provisions of Conditions 5.2(c), 5.2(d), 5.2(e), 5.2(f), 5.2(g) or 5.2(h) above, as the case may be, and in each case, in accordance with Condition 5.2(j) above, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the sum of the Margin (if applicable) and the rate or (as the case may be) the arithmetic mean last determined in relation to the Instruments in respect of the immediately preceding Interest Period.
- (n) *Certificates to be final:* All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5.2, by the Determination Agent or the Calculation Agent, as applicable, shall (in the absence of manifest error) be binding on the Issuer, the Trustee, EDP (if the Issuer is EDP B.V. or EDP SFE), the Issue and Paying Agent, the other Paying Agents and all Holders and (in the absence of fraud, negligence or wilful misconduct) no liability to the Issuer, EDP (if the Issuer is EDP B.V. or EDP SFE) or the Holders shall attach to the Issue and Paying Agent or the Calculation Agent, as applicable in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.3 *Accrual of interest*

Each Instrument (or, in the case of the redemption of part only of an Instrument, that part only of such Instrument) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, if applicable, or, in the case of a Book Entry Instrument presentation of the relevant Certificate in respect thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

5.4 *Benchmark Discontinuation (Independent Adviser)*

- (a) Other than in the case of a Floating Rate Instrument for which the Reference Rate is specified in the Final Terms as being "SOFR" or "SOFR Compounded Index", notwithstanding the operation of Condition 5.2 (*Interest on Floating Rate Instruments*), if EDP (in consultation with the person specified in the relevant Final Terms as the party responsible for calculating the Rate of Interest)) determines that a Benchmark Event has occurred, when any Rate of Interest (or the relevant component part thereof) remains to be determined by reference to a Reference Rate, then the following provisions shall apply.

- (b) EDP shall use its reasonable endeavours to appoint an Independent Adviser, no later than 5 Business Days prior to the Interest Determination Date relating to the next succeeding Interest Period, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 5.4(c)) and, in either case, an Adjustment Spread, if any (in accordance with Condition 5.4(d)) and any Benchmark Amendments (in accordance with Condition 5.4(e)).

For the avoidance of doubt, the Independent Adviser if acting in good faith and, in the absence of bad faith or fraud, shall have no liability whatsoever to the Issuer (nor, if EDP B.V. or EDP SFE is the Issuer, EDP), the Trustee, the Paying Agents or the Holders for any determination made by it pursuant to this Condition 5.4.

If (i) EDP is unable, having used its reasonable endeavours, to appoint an Independent Adviser or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate and, in each case, an Adjustment Spread and any related Benchmark Amendments, and notify the Issuer and Paying Agent or the Calculation Agent (as applicable) of such determination, in accordance with this Condition 5.4 prior to the date which is 5 Business Days prior to the relevant Interest Determination Date, the Reference Rate applicable to the immediate following Interest Period shall be the Reference Rate applicable as at the last preceding Interest Determination Date. If there has not been a first Interest Payment Date, the Reference Rate shall be the Reference Rate applicable to the first Floating Rate Interest Period. For the avoidance of doubt, any adjustment pursuant to this final paragraph of Condition 5.4 shall apply to the immediately following Interest Period only. Any subsequent Interest Period may be subject to the subsequent operation of this Condition 5.4.

- (c) If the Independent Adviser determines in its discretion that:
- (A) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 5.4(d)) subsequently be used in place of the Reference Rate to determine the Rate of Interest for the immediately following Interest Period and all following Interest Periods, subject to the subsequent operation of this Condition 5.4; or
 - (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 5.4(d)) subsequently be used in place of the Reference Rate to determine the Rate of Interest for the immediately following Interest Period and all following Interest Periods, subject to the subsequent operation of this Condition 5.4.
- (d) If a Successor Rate or Alternative Rate is determined in accordance with Condition 5.4(c), the Independent Adviser shall determine an Adjustment Spread (which may be expressed as a specified quantum or a formula or methodology for determining the applicable Adjustment Spread), which Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be), subject to the subsequent further operation and adjustment as provided in this Condition 5.4. For the avoidance of doubt, an Adjustment Spread may be positive, negative or zero.
- (e) If any relevant Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 5.4 and the Independent Adviser determines in its discretion:
- (A) that amendments to these Conditions, the Trust Deed, the Interbolsa Instrument and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**"); and
 - (B) the terms of the Benchmark Amendments,

then EDP, EDP B.V. and EDP SFE shall, subject to giving notice thereof in accordance with Condition 5.4(f), without any requirement for the consent or approval of relevant

Holders, vary these Conditions, the Trust Deed, the Interbolsa Instrument or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice.

The Trustee, the Calculation Agent and the Issue and Paying Agent shall, at the request and expense of EDP and without the requirement for any consent or approval of the Holders, concur with EDP, EDP B.V. and EDP SFE in effecting any Benchmark Amendments as may be required in order to give effect to this Condition 5.4(e), subject to receipt by the Trustee of the certificate referred to in Condition 5.4(g) below, *provided however*, that neither the Trustee, the Calculation Agent nor the Issue and Paying Agent shall be obliged so to concur if in the reasonable opinion of the Trustee, the Calculation Agent or the Issue and Paying Agent (as applicable) doing so would have the effect of (i) exposing the Trustee, the Calculation Agent or the Issue and Paying Agent (as applicable) to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction or (ii) imposing more onerous obligations upon the Trustee, the Calculation Agent or the Issue and Paying Agent (as applicable) or expose them to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions in these Conditions, the Agency Agreement or the Trust Deed.

- (f) Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 5.4 will be notified promptly by the Issuer to the Trustee, the Paying Agents, the Calculation Agent and, in accordance with Condition 15 (*Notices*), the Holders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.
- (g) No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two of its Directors:
 - (A) confirming (x) that a Benchmark Event has occurred, (y) the relevant Successor Rate, or, as the case may be, the relevant Alternative Rate and, (z) where applicable, any relevant Adjustment Spread and/or the specific terms of any relevant Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 5.4; and
 - (B) certifying that the relevant Benchmark Amendments are necessary to ensure the proper operation of such relevant Successor Rate, Alternative Rate and/or Adjustment Spread.

The Trustee shall be entitled to rely on such certificate (without further enquiry and without liability to any person) as sufficient evidence thereof.

- (h) The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of such Successor Rate or Alternative Rate and such Adjustment Spread (if any) and such Benchmark Amendments (if any)) be binding on the Issuer (and, if EDP B.V. or EDP SFE is the Issuer, EDP), the Trustee, the Paying Agents, the Calculation Agent and the Holders.
- (i) Without prejudice to the obligations of EDP, EDP B.V. and EDP SFE, as appropriate, under Condition 5.4(b), (c), (d) and (e), the Reference Rate and the fallback provisions provided for in Condition 5.2 will continue to apply unless and until the Calculation Agent or the person specified in the Final Terms as the party responsible for calculating the Rate of Interest has been notified of the Successor Rate or the Alternative Rate (as the case may be), the applicable Adjustment Spread and Benchmark Amendments (if applicable), in accordance with Condition 5.4(f)
- (j) If, in the case of any Benchmark Event, any Successor Rate, Alternative Rate and/or Adjustment Spread is notified to the Issue and Paying Agent or, as applicable, the Calculation Agent pursuant to Condition 5.4(f), and the Issue and Paying Agent or, as applicable, the Calculation Agent is in any way uncertain as to the application of such Successor Rate, Alternative Rate and/or Adjustment Spread in the calculation or

determination of any Rate of Interest (or any component part thereof), it shall promptly notify the Issuer thereof and the Issuer shall direct the Issue and Paying Agent or, as applicable, the Calculation Agent in writing (which direction may be by way of a written determination of an Independent Advisor) as to which course of action to adopt in the application of such Successor Rate, Alternative Rate and/or Adjustment Spread in the determination of such Rate of Interest. If the Issue and Paying Agent or, as applicable, the Calculation Agent is not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Issue and Paying Agent or, as applicable, the Calculation Agent shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so. For the avoidance of doubt, for the period that the Issue and Paying Agent or, as applicable, the Calculation Agent remains uncertain of the application of the Successor Rate, Alternative Rate and/or Adjustment Spread in the calculation or determination of any Rate of Interest (or any component part thereof), the Reference Rate and the fallback provisions provided for in Conditions 5.2 will continue to apply.

As used in this Condition 5.4:

"Adjustment Spread" means either a spread (which may be positive, negative or zero), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser determines and notifies to the Issue and Paying Agent and the Calculation Agent (as applicable) is required to be applied to the relevant Successor Rate or the relevant Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Holders as a result of the replacement of the Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (B) (if no such recommendation has been made, or in the case of an Alternative Rate), the Independent Adviser determines is customarily applied to the relevant Successor Rate or Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Reference Rate; or
- (C) (if no such recommendation has been made, or in the case of an Alternative Rate) the Independent Adviser determines is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (D) (if the Independent Adviser determines that no such industry standard is recognised or acknowledged) the Independent Adviser determines to be appropriate.

"Alternative Rate" means an alternative benchmark or screen rate which the Independent Adviser determines and notifies to the Issue and Paying Agent and Calculation Agent (as applicable) in accordance with Condition 5.4(c) is customary in market usage in the international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) in the Specified Currency.

"Benchmark Event" means:

- (A) the relevant Reference Rate has ceased to be published on the Relevant Screen Page as a result of such benchmark ceasing to be calculated or administered; or
- (B) a public statement by the administrator of the relevant Reference Rate that it has ceased, or will, by a specified date within the following six months, cease, publishing such Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of such Reference Rate); or

- (C) a public statement by the supervisor of the administrator of the relevant Reference Rate that such Reference Rate has been or will, by a specified date within the following six months, be permanently or indefinitely discontinued; or
- (D) a public statement by the supervisor of the administrator of the relevant Reference Rate that means that such Reference Rate will, by a specified date within the following six months, be prohibited from being used or that its use will be subject to restrictions or adverse consequences, either generally or in respect of the Instruments; or
- (E) a public statement by the supervisor of the administrator of the relevant Reference Rate that, in the view of such supervisor, such Reference Rate is no longer representative of an underlying market; or
- (F) it has or will, by a specified date within the following six months, become unlawful for the Calculation Agent to calculate any payments due to be made to any Holder using the relevant Reference Rate (as applicable) (including, without limitation, under the Benchmarks Regulation (EU) 2016/1011, if applicable).

"Independent Adviser" means an independent financial institution of international repute or other independent financial adviser experienced in the international capital markets, in each case appointed by EDP at its own expense under Condition 5.4(b).

"Relevant Nominating Body" means, in respect of a benchmark or screen rate (as applicable):

6. **Payments**

6.1 *Method of payment:* Subject and except as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency; and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee.

Subject always to Condition 8 (*Taxation*), payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

6.2 *Presentation of Bearer Instruments, Receipts and Coupons:* Payments of principal in respect of Bearer Instruments will (subject as provided below) be made in the manner provided in Condition 6.1 (*Method of payment*) above only, where applicable, against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Bearer Instruments, and payments of interest in respect of Bearer Instruments will (subject as provided below) be made as aforesaid only, where applicable, against presentation and surrender (or, in the case of part payment of any

sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Payments of instalments of principal (if any) in respect of Bearer Instruments, other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 6.1 (*Method of payment*) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 6.1 (*Method of payment*) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Instrument in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Instrument to which it appertains. Receipts presented without the definitive Instrument to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Instrument becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Instruments in bearer form (other than Long Maturity Instruments (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 8 (*Taxation*)) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9 (*Prescription*)) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Instrument in bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Instrument or Long Maturity Instrument in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "**Long Maturity Instrument**" is a Fixed Rate Instrument (other than a Fixed Rate Instrument which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon **provided that** such Instrument shall cease to be a Long Maturity Instrument on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Instrument.

Other than in respect of Book Entry Instruments, if the due date for redemption of any Instrument is not an Interest Payment Date, interest (if any) accrued in respect of such Instrument from and including the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Bearer Instrument.

Payments in respect of the Book Entry Instruments will be made by transfer to the registered account of the holders maintained by or on behalf of them with a bank that processes payments in the relevant currency, details of which appear in the records of the relevant Affiliate Members of Interbolsa at the close of business on the Payment Day (as defined in Condition 6.5 (*Payment Day*) below) before the due date for payment of principal and/or interest.

- 6.3 *U.S. Paying Agent:* Notwithstanding the foregoing provisions of Condition 6.2 (*Presentation of Bearer Instruments, Receipts and Coupons*), if any amount of principal and/or interest in respect of Instruments is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Instruments will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Instruments in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer or, if the Issuer is EDP B.V. or EDP SFE, EDP.

6.4 *Registered Instruments:* Payments of amounts (including accrued interest) due on the final redemption of Registered Instruments will be made against presentation and, save in the case of a partial redemption, surrender of the relevant Registered Instruments at the specified office of the Registrar.

Payments of amounts (whether principal, interest or otherwise) due in respect of Registered Instruments will be paid to the Holders thereof (or, in the case of joint Holders, the first-named) as appearing in the register kept by the Registrar (1) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date, and (2) where in definitive form, as at close of business (Luxembourg time) on the fifteenth Luxembourg business day (the "**Record Date**") before the due date for such payment **provided that** the amounts due in respect of Registered Instruments under Condition 10 (*Events of Default*) will be paid to the Holders thereof (or, in the case of joint Holders, the first-named) as appearing in such register as at opening of business (Luxembourg time) on the date on which such payment is made.

6.5 *Payment Day:* If the date for payment of any amount in respect of any Instrument, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, "**Payment Day**" means any day which (subject to Condition 9 (*Prescription*)) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in each Additional Financial Centre specified in the Final Terms and, in the case of Instruments in definitive form only, in the relevant place of presentation, or, in the case of Book Entry Instruments, in Portugal; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, and any Additional Financial Centre) or (2) in relation to any sum payable in euro, a day on which T2 is open.

6.6 *Interpretation of principal and interest:* Any reference in these Terms and Conditions to principal in respect of the Instruments shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 8 (*Taxation*) or under any undertakings or covenants given in addition thereto or in substitution therefor pursuant to the Trust Deed;
- (ii) the Final Redemption Amount of the Instruments;
- (iii) the Early Redemption Amount of the Instruments;
- (iv) the Optional Redemption Amount(s) (if any) of the Instruments;

- (v) in relation to Instruments redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Instruments, the Amortised Face Amount (as defined in Condition 7.6); and
- (vii) any premium and any other amounts which may be payable by the Issuer under or in respect of the Instruments.

Any reference in these Terms and Conditions to interest in respect of the Instruments shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8 (*Taxation*) or under any undertakings or covenants given in addition thereto or in substitution thereof pursuant to the Trust Deed.

7. **Redemption and Purchase**

7.1 *Redemption at maturity:* Unless previously redeemed or purchased and cancelled as specified below, each Instrument will be redeemed by the Issuer at its outstanding nominal amount in the relevant Specified Currency on the Maturity Date.

7.2 *Redemption for tax reasons:* Subject to Condition 7.8 (*Early Redemption Amounts*), the Instruments may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Instrument is not a Floating Rate Instrument) or on any Interest Payment Date (if this Instrument is a Floating Rate Instrument), on giving not less than 30 nor more than 60 days' notice to the Trustee, the Issue and Paying Agent and, in accordance with Condition 15 (*Notices*), the Holders (which notice shall be irrevocable), if the Issuer satisfies the Trustee immediately prior to the giving of such notice that:

- (i) on the occasion of the next payment due under the Instruments, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of the relevant Tax Jurisdiction (as defined in Condition 8 (*Taxation*)) or any political subdivision of, or any authority in, or of, the relevant Tax Jurisdiction having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Instruments; and
- (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Instruments then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Trustee (1) a certificate signed by two Directors of EDP stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and (2) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment and the Trustee shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent set out above in which event they shall be conclusive and binding on the Holders.

Instruments redeemed pursuant to this Condition 7.2 will be redeemed at their Early Redemption Amount referred to in Condition 7.8 (*Early Redemption Amounts*) below together (if appropriate) with interest accrued to but excluding the date of redemption.

7.3 *Redemption at the option of the Issuer (Issuer Call):* If Issuer Call is specified as being applicable in the Final Terms, the Issuer may, having given:

- (i) not less than 15 days nor more than 30 days' notice to the Holders in accordance with Condition 15 (*Notices*); and

- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Issue and Paying Agent and the Trustee;

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or, if so provided, some only of the Instruments at any time or from time to time on the relevant Optional Redemption Date at, unless otherwise specified in the relevant Final Terms, the Optional Redemption Amount together, if appropriate, with any interest accrued on the Instruments to, but excluding, the Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the Final Terms.

The Optional Redemption Amount will either be the specified percentage of the nominal amount of the Instruments stated in the Final Terms or, if Make-Whole Redemption Amount is specified in the Final Terms, will be calculated by the Determination Agent and will be the greater of (x) 100 per cent. of the principal amount of the Instruments so redeemed and (y) the sum of the then present values of each remaining scheduled payments of principal and interest on such Instruments to maturity or, if Residual Call Period is specified as applicable in the Final Terms, to the Residual Call Commencement Date (assuming for this purpose that the Instruments are scheduled to mature on the Residual Call Commencement Date) (not including any interest accrued on the Instruments to, but excluding, the relevant Optional Redemption Date) discounted to the relevant Optional Redemption Date on an annual, semi-annual or such other basis as is equivalent to the frequency of interest payments on the Instruments (as determined by the Determination Agent) at the Make-Whole Redemption Rate plus the Make-Whole Redemption Margin, if any, specified in the Final Terms.

All Instruments in respect of which any such notice of redemption is given shall be redeemed on the date specified in such notice in accordance with this Condition.

For the purposes of this Condition 7.3:

"Determination Agent" means an independent adviser, investment bank or financial institution of recognised standing selected by the Issuer;

"Make-Whole Redemption Rate" means, with respect to any date of redemption, the rate per annum equal to the annual or semi-annual yield (as the case may be) to maturity or interpolated yield to maturity (on the relevant day count basis) of the Reference Bond, assuming a price for the Reference Bond (expressed as a percentage of its nominal amount) equal to the Reference Bond Price for such date of redemption;

"Reference Bond" shall be as set out in the Final Terms or, if no such bond is set out in the Final Terms or if such bond is no longer outstanding, shall be the Selected Reference Bond;

"Reference Bond Price" means, with respect to any date of redemption, (A) the arithmetic average of the Reference Government Bond Dealer Quotations for such date of redemption, after excluding the highest and lowest such Reference Government Bond Dealer Quotations, or (B) if the Determination Agent obtains fewer than four such Reference Government Bond Dealer Quotations, the arithmetic average of all such quotations;

"Reference Date" will be set out in the relevant notice of redemption;

"Reference Government Bond Dealer" means each of five banks selected by the Issuer (or the Determination Agent, acting at its request), or their affiliates, which are (A) primary government securities dealers, and their respective successors, or (B) market makers in pricing corporate bond issues;

"Reference Government Bond Dealer Quotations" mean, with respect to each Reference Government Bond Dealer and any date for redemption, the arithmetic average, as determined by the Determination Agent, of the bid and offered prices for the Reference Bond (expressed in each case as a percentage of its nominal amount) at the Quotation Time specified in the Final Terms on the Reference Date quoted in writing to the Determination Agent by such Reference Government Bond Dealer;

"Residual Call Commencement Date" shall be the date set out in the Final Terms;

"Residual Call Period" has the meaning set out in the Final Terms; and

"Selected Reference Bond" means a government security or securities selected by the Determination Agent as having an actual or interpolated maturity comparable to either the remaining term of the Instruments or, if Residual Call Period is specified as applicable in the Final Terms, the Residual Call Commencement Date of the Instruments, that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities denominated in the same currency as the Instruments and of a comparable maturity to either the remaining term of the Instruments or, if Residual Call Period is specified in the Final Terms, the Residual Call Commencement Date of the Instruments.

7.4 *Redemption at the option of the Issuer (Clean-up Call):* If Clean-up Call is specified as being applicable in the Final Terms, in the event that Instruments representing an aggregate amount equal to or exceeding the Minimum Percentage (as specified in the Final Terms, being a percentage of the initial aggregate principal amount of that particular Series of Instruments (including any Instruments which have been consolidated and form a single Series therewith)) have been purchased by EDP or any subsidiary of EDP and cancelled or redeemed by the Issuer, the Issuer may, having given:

- (i) not less than 15 days nor more than 30 days' notice to the Holders in accordance with Condition 15 (*Notices*); and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Issue and Paying Agent and the Trustee;

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem the Instruments then outstanding in whole (but not in part) on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the Final Terms together, if appropriate, with interest accrued to but excluding the relevant Optional Redemption Date.

4.2 *Accrual of interest*

Each Subordinated Instrument (or, in the case of the redemption of part only of a Subordinated Instrument, that part only of such Subordinated Instrument) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation of the relevant Certificate in respect thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue (including on any Deferred Interest Payment) as provided in the Trust Deed.

4.3 *Interest Deferral*

The Issuer may determine in its sole discretion not to pay the whole or any part of the relevant Interest Amount otherwise scheduled to be paid on an Interest Payment Date. Interest that the Issuer has elected not to pay shall not be due and payable and shall constitute a **"Deferred Interest Payment"**. The Issuer shall not have any obligation to pay interest on any Interest Payment Date and any such non-payment of interest shall not constitute a default of the Issuer or any other breach of its obligations under the Subordinated Instruments or for any other purpose.

Additional interest will accrue on each Deferred Interest Payment at the then applicable Rate of Interest, and from (and including) the date on which (but for such deferral) the Deferred Interest Payment would otherwise have been due to (but excluding) the date on which the Deferred Interest Payment is paid, and will be added to such Deferred Interest Payment (and thereafter accumulate additional interest accordingly) on each Interest Payment Date. Deferred Interest Payments (including any additional interest accrued thereon) will be payable in accordance with Condition 4.4 (*Payment of Deferred Interest Payments*).

If the Issuer decides not to pay the relevant Interest Amount on an Interest Payment Date, the Issuer shall notify the Holders in accordance with Condition 12 (*Notices*), the Issue and Paying Agent and the Trustee not less than five Business Days prior to such Interest Payment Date.

4.4 *Payment of Deferred Interest Payments:*

- (a) The Issuer may settle outstanding Deferred Interest Payments (in whole or in part) at any time on the giving of at least 5 Business Days' prior notice to the Holders in accordance with Condition 12 (*Notices*), the Issue and Paying Agent and the Trustee (which notice

shall be irrevocable and will oblige the Issuer to pay the relevant Deferred Interest Payments on the payment date specified in such notice).

- (b) Notwithstanding Condition 4.4(a), all outstanding Deferred Interest Payments must be settled (in whole and not in part) on a Payment Reference Date.

In these Terms and Conditions:

"Payment Reference Date" means the date which is the earlier of:

- (i) the date which is 10 Business Days following the occurrence of a Compulsory Payment Event;
- (ii) the next Interest Payment Date in relation to which the Issuer decides to pay the interest in full;
- (iii) the Maturity Date or the calendar day on which the Subordinated Instruments are otherwise redeemed;
- (iv) the calendar day on which an applicable legally binding resolution or order is made for the winding-up, dissolution or liquidation of the Issuer (other than for the purposes of or pursuant to an amalgamation, reorganisation or restructuring while solvent, where the continuing entity assumes substantially all of the assets and obligations of the Issuer); and
- (v) the date which is five years after the earliest Interest Payment Date on which any unpaid interest forming part of the outstanding Deferred Interest Payments was (but for the operation of Condition 4.3) scheduled to be paid.

If any Payment Reference Date would fall on a calendar day which is not a Business Day, the Payment Reference Date shall be postponed to the next calendar day which is a Business Day.

Each of the following is a **"Compulsory Payment Event"**:

- (i) the Issuer or its shareholders (as applicable) validly approve a proposal to pay a dividend, other distribution or payment on any Junior Securities, other than any payment in kind using Junior Securities;
- (ii) the Issuer redeems, or the Issuer or any of its Subsidiaries purchases or otherwise acquires, any Junior Securities for any consideration, except pursuant to the terms of any instrument which converts into Junior Securities or in connection with the satisfaction by the Issuer of its obligations under any existing or future buy-back programme, share option or free share allocation plan or employee benefit plan or similar arrangement with or for the benefit of employees, officers, directors or consultants;
- (iii) the Issuer or any of its Subsidiaries makes any payment of interest, dividend or other distribution or payment on any Parity Securities; and
- (iv) the Issuer redeems, or the Issuer or any of its Subsidiaries purchases or otherwise acquires, any of the Subordinated Instruments or any Parity Securities for any consideration, except pursuant to the terms of any instrument which converts into Junior Securities or Parity Securities,

provided that, in the case of (iii) and (iv) above, no Compulsory Payment Event will occur if: (x) the Issuer or any of its Subsidiaries are obliged under these Terms and Conditions or under the terms and conditions of such Parity Securities to make such payment, redemption, purchase or other acquisition; or (y) the Issuer or any of its Subsidiaries repurchases or otherwise acquires any Subordinated Instruments or any Parity Securities in an open-market tender offer or exchange offer at a consideration per Subordinated Instrument or Parity Security below its respective par value; or (z) the Issuer makes any pro rata payment of deferred interest on any Parity Securities which is made simultaneously with a *pro rata* Deferred Interest Payment provided that such *pro rata* payment on any Parity Securities is not proportionately more than the *pro rata* Deferred Interest Payment.

4.5 *Increase in Rate of Interest*

Unless an irrevocable notice to redeem the Subordinated Instruments has been given to Holders by the Issuer pursuant to Condition 6.6 (*Redemption upon a Change of Control Event*) on or before the 55th calendar day following the first occurrence of a Change of Control Event (as defined in Condition 6.6 (*Redemption upon a Change of Control Event*)), the Rate of Interest will increase once by the Change of Control Step-Up Margin specified in the Final Terms with effect from (and including) the 55th calendar day following the date on which that Change of Control Event occurred. The occurrence of the Change of Control Event will be notified by the Issuer to the Holders in accordance with Condition 12 (*Notices*) and to the Issue and Paying Agent and the Trustee by no later than the 15th Business Day following the relevant Change of Control Event. For the avoidance of doubt, the Rate of Interest will not increase by reason of any subsequent Change of Control Event.

4.6 *Benchmark Discontinuation*

- (a) Notwithstanding the operation of Condition 4.1 (*Interest on Subordinated Instruments*), if EDP determines that a Benchmark Event has occurred, when any Rate of Interest (or the relevant component part thereof) remains to be determined by reference to an Original Reference Rate, then the following provisions shall apply.
- (b) EDP shall use its reasonable endeavours to appoint an Independent Adviser, no later than 5 Business Days prior to the Reset Determination Date relating to the next succeeding Reset Period, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4.6(c)) and, in either case, an Adjustment Spread, if any (in accordance with Condition 4.6(d)) and any Benchmark Amendments (in accordance with Condition 4.6(e)).

For the avoidance of doubt, the Independent Adviser if acting in good faith and, in the absence of bad faith or fraud, shall have no liability whatsoever to the Issuer, the Trustee, the Paying Agents or the Holders for any determination made by it pursuant to this Condition 4.6.

If (i) EDP is unable, having used its reasonable endeavours, to appoint an Independent Adviser or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate and, in each case, an Adjustment Spread and any related Benchmark Amendments, and notify the Issue and Paying Agent or the Calculation Agent (as applicable) of such determination, in accordance with this Condition 4.6 prior to the date which is 5 Business Days prior to the relevant Reset Determination Date, the Original Reference Rate applicable to the immediate following Reset Period shall be equal to the last observable Original Reference Rate on the Relevant Screen Page, as determined by the Calculation Agent (where applicable) or otherwise the provisions of Condition 4.1 shall apply.

For the avoidance of doubt, any adjustment pursuant to this final paragraph of Condition 4.6 shall apply to the immediately following Reset Period only. Any subsequent Reset Period may be subject to the subsequent operation of this Condition 4.6.

- (c) If the Independent Adviser determines in its discretion that:
 - (A) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 4.6(d)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest for the immediately following Reset Period and all following Reset Periods, subject to the subsequent operation of this Condition 4.6; or
 - (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 4.6(d)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest for the immediately following Reset Period and all following Reset Periods, subject to the subsequent operation of this Condition 4.6.

- (d) If a Successor Rate or Alternative Rate is determined in accordance with Condition 4.6(c), the Independent Adviser shall determine an Adjustment Spread (which may be expressed as a specified quantum or a formula or methodology for determining the applicable Adjustment Spread), which Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be), subject to the subsequent further operation and adjustment as provided in this Condition 4.6. For the avoidance of doubt, an Adjustment Spread may be positive, negative or zero.
- (e) If any relevant Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4.6 and the Independent Adviser determines in its discretion:
 - (A) that amendments to these Conditions, the Trust Deed, the Interbolsa Instrument and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**"); and
 - (B) the terms of the Benchmark Amendments,

then EDP shall, subject to giving notice thereof in accordance with Condition 4.6(f), without any requirement for the consent or approval of relevant Holders, vary these Conditions, the Trust Deed, the Interbolsa Instrument or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice.

The Trustee, the Calculation Agent and the Issue and Paying Agent shall, at the request and expense of EDP and without the requirement for any consent or approval of the Holders, concur with EDP in effecting any Benchmark Amendments as may be required in order to give effect to this Condition 4.6(e), subject to receipt by the Trustee of the certificate referred to in Condition 4.6(g) below, *provided however*, that neither the Trustee, the Calculation Agent nor the Issue and Paying Agent shall be obliged so to concur if in the reasonable opinion of the Trustee, the Calculation Agent or the Issue and Paying Agent (as applicable) doing so would have the effect of (i) exposing the Trustee, the Calculation Agent or the Issue and Paying Agent (as applicable) to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction or (ii) imposing more onerous obligations upon the Trustee, the Calculation Agent or the Issue and Paying Agent (as applicable) or expose them to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions in these Terms and Conditions, the Agency Agreement or the Trust Deed.

- (f) Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4.6 will be notified promptly by the Issuer to the Trustee, the Paying Agents, the Calculation Agent and, in accordance with Condition 12 (*Notices*), the Holders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.
- (g) No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two of its Directors:
 - (A) confirming (x) that a Benchmark Event has occurred, (y) the relevant Successor Rate, or, as the case may be, the relevant Alternative Rate and, (z) where applicable, any relevant Adjustment Spread and/or the specific terms of any relevant Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 4.6; and
 - (B) certifying that the relevant Benchmark Amendments are necessary to ensure the proper operation of such relevant Successor Rate, Alternative Rate and/or Adjustment Spread.

The Trustee shall be entitled to rely on such certificate (without further enquiry and without liability to any person) as sufficient evidence thereof.

- (h) The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of such Successor Rate or Alternative Rate and such Adjustment Spread (if any) and such Benchmark Amendments (if any)) be binding on the Issuer, the Trustee, the Paying Agents, the Calculation Agent and the Holders.
- (i) Without prejudice to the obligations of EDP under Condition 4.6(b), (c), (d) and (e), the Original Reference Rate and the fallback provisions provided for in Condition 4.1 (*Interest on Subordinated Instruments*) will continue to apply unless and until the Calculation Agent or the person specified in the Final Terms as the party responsible for calculating the Rate of Interest has been notified of the Successor Rate or the Alternative Rate (as the case may be), the applicable Adjustment Spread and Benchmark Amendments (if applicable), in accordance with Condition 4.6(f)
- (j) If, in the case of any Benchmark Event, any Successor Rate, Alternative Rate and/or Adjustment Spread is notified to the Calculation Agent pursuant to Condition 4.6(f), and the Calculation Agent is in any way uncertain as to the application of such Successor Rate, Alternative Rate and/or Adjustment Spread in the calculation or determination of any Rate of Interest (or any component part thereof), it shall promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent in writing (which direction may be by way of a written determination of an Independent Advisor) as to which course of action to adopt in the application of such Successor Rate, Alternative Rate and/or Adjustment Spread in the determination of such Rate of Interest. If the Calculation Agent is not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Calculation Agent shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so. For the avoidance of doubt, for the period that the Calculation Agent remains uncertain of the application of the Successor Rate, Alternative Rate and/or Adjustment Spread in the calculation or determination of any Rate of Interest (or any component part thereof), the Original Reference Rate and the fallback provisions provided for in Condition 4.1 (*Interest on Subordinated Instruments*) will continue to apply.
- (k) No Successor Rate or Alternative Rate will be adopted, nor any Adjustment Spread applied, nor will any Benchmark Amendments be made, if and to the extent that, it causes a loss of equity credit, a reduction in equity credit or shortening of the period of time that equity credit is assigned.

In this Condition 4.6, "**Original Reference Rate**" means the originally specified benchmark or screen rate (as applicable) used to determine the relevant Rate of Interest (or any component part thereof) on the Subordinated Instruments and, where the context so permits, includes any Successor Rate or Alternative Rate that has replaced the Original Reference Rate. - (A) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (B) (if no such recommendation has been made, or in the case of an Alternative Rate), the Independent Adviser determines is customarily applied to the relevant Successor Rate or Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or

- (C) (if no such recommendation has been made, or in the case of an Alternative Rate) the Independent Adviser determines is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (D) (if the Independent Adviser determines that no such industry standard is recognised or acknowledged) the Independent Adviser determines to be appropriate.

"Alternative Rate" means an alternative benchmark or screen rate which the Independent Adviser determines and notifies to the Issue and Paying Agent and Calculation Agent (as applicable) in accordance with Condition 4.6(c) has replaced the Original Reference Rate (or the relevant component part thereof) in customary in market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) in the Specified Currency.

- (E) a public statement by the supervisor of the administrator of the relevant Original Reference Rate that, in the view of such supervisor, such Original Reference Rate is no longer representative of an underlying market; or
- (F) it has or will, by a specified date within the following six months, become unlawful for the Calculation Agent to calculate any payments due to be made to any Holder using the relevant Original Reference Rate (as applicable) (including, without limitation, under the Benchmarks Regulation (EU) 2016/1011, if applicable).

Any such modification, waiver, authorisation or determination shall be binding on the Holders and, unless the Trustee agrees otherwise, any such modification shall be notified to the Holders in accordance with Condition 12 (*Notices*) as soon as practicable thereafter.

The Trust Deed contains provisions under which a subsidiary of the Issuer may, without the consent of the Holders, assume the obligations of the Issuer as principal debtor under the Trust Deed and the Subordinated Instruments provided that certain conditions specified in the Trust Deed are fulfilled.

In connection with the exercise by it of any of its trusts, powers, authorities or discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Holders as a class but shall not have regard to any interests arising from circumstances particular to individual Holders (whatever their number) and, in particular, but without limitation, shall not have regard to the consequences of such exercise for individual Holders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Holder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Holders except to the extent already provided for in Condition 7 (*Taxation*) and/or any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

The Trustee may, without the consent of the Holders, agree with the Issuer to the substitution in place of the Issuer (or of any previous substitute under this Condition 13) as the principal debtor

under the Subordinated Instruments and the Trust Deed of another company, being a Subsidiary of the Issuer, subject to (a) the Subordinated Instruments being unconditionally and irrevocably guaranteed by the Issuer or having the benefit of a keep well agreement by the Issuer, (b) the Trustee being satisfied that the interests of the Holders will not be materially prejudiced by the substitution and (c) certain other conditions set out in the Trust Deed being complied with.

In addition, the Trustee shall be obliged in certain circumstances to concur with the Issuer in using its reasonable endeavours to effect any Benchmark Amendments on the basis set out in Condition 4.6 (*Benchmark Discontinuation*) without the consent or approval of the Holders of the relevant Subordinated Instruments subject to the provisions therewith.

In these Terms and Conditions, "**Subsidiary**" means an entity from time to time of which EDP (a) has the right to appoint the majority of the members of the board of directors or similar board or (b) owns directly or indirectly more than 50 per cent. of the share capital or similar right of ownership.

13.2 If at any time a Tax Event, a Rating Agency Event or an Accounting Event has occurred on or after the Issue Date of the last Tranche of Notes and is continuing, then the Issuer may (without any requirement for the consent or approval of the Holders) and having given not less than 10 nor more than 60 days' notice to the Holders in accordance with Condition 12 (*Notices*) and to the Trustee and Issue and Paying Agent (which notice shall be irrevocable), at any time either:

- (a) substitute all, but not some only, of the Subordinated Instruments for Qualifying Subordinated Instruments; or
- (b) vary the terms of the Subordinated Instruments with the effect that they remain or become, as the case may be, Qualifying Subordinated Instruments.

Upon expiry of such notice, the Issuer shall either vary the terms of or, as the case may be, substitute the Subordinated Instruments in accordance with this Condition 13.2.

In connection with any substitution or variation in accordance with this Condition 13.2, the Issuer shall comply with the rules of any stock exchange on which the Subordinated Instruments are for the time being listed or admitted to trading.

For the purposes of this Condition 13.2:

"**Qualifying Subordinated Instruments**" means securities that contain terms not materially less favourable to Holders than the terms of the Subordinated Instruments (as reasonably determined by the Issuer) and **provided that** a certification to such effect shall have been delivered to the Holders in accordance with Condition 12 (*Notices*) and to the Trustee and Issue and Paying Agent prior to the substitution or variation of the Subordinated Instruments, **provided that** (without prejudice to the foregoing):

- (a) they shall be issued by the Issuer or by any wholly-owned direct or indirect subsidiary of the Issuer, with the benefit of an unconditional and irrevocable guarantee by the Issuer or of a keep well agreement by the Issuer; and
- (b) they (and/or, as appropriate, the guarantee or keep well agreement as aforesaid) shall rank *pari passu* on a winding-up or insolvency of the Issuer with the ranking of the Subordinated Instruments; and
- (c) they shall contain terms which provide for the same interest rate from time to time applying to the Subordinated Instruments and preserve the same Interest Payment Dates; and
- (d) other than as set out in (h) below, they shall preserve the obligations (including the obligations arising from the exercise of any right) of the Issuer as to redemption of the Subordinated Instruments, including (without limitation) as to timing of, and amounts payable upon, such redemption; and

- (e) they shall preserve any existing rights under the Subordinated Instruments to any accrued interest, any deferred interest and any other amounts payable under the Subordinated Instruments which, in each case, has accrued to Holders and not been paid; and
- (f) they shall not contain terms providing for the mandatory deferral or cancellation of interest and shall not contain terms providing for loss absorption through principal writedown or conversion to ordinary shares; and
- (g) they shall, immediately after such exchange or variation, be assigned at least the same credit rating(s) by the same Rating Agencies as may have been assigned to the Subordinated Instruments immediately prior to such exchange or variation (if any); and
- (h) in the case of a substitution or variation in accordance with this Condition 13.2 upon the occurrence of a Tax Event, an opinion of an independent legal adviser or independent tax counsel which states that a Tax Event has occurred shall be delivered to the Trustee and the Issue and Paying Agent for inspection by Holders during normal business hours; and
- (i) they shall otherwise contain substantially identical terms (as reasonably determined by the Issuer) to the Subordinated Instruments, save where any modifications to such terms are required to be made to avoid the occurrence or effect of, a Tax Event, a Rating Agency Event or, as the case may be, an Accounting Event; and
- (j) provided that the Subordinated Instruments are listed, the Qualifying Subordinated Instruments shall be (A) listed and admitted to trading on Euronext Dublin or (B) admitted to trading on any other regulated market as selected by the Issuer on, or as soon as reasonably practicable after issuance of the Qualifying Subordinated Instruments.

14. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Holders to create and issue further Subordinated Instruments having terms and conditions the same as the Subordinated Instruments or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Subordinated Instruments. The Trust Deed and the Interbolsa Instrument contain provisions for convening a single meeting of the Holders and the holders of instruments of other series in certain circumstances where the Trustee so decides.

15. Indemnification of Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from any obligation to take proceedings to enforce repayment unless indemnified to its satisfaction. The Trustee may enter into business transactions with the Issuer or any person or body corporate associated with the Issuer without accounting for any profit made or benefit received.

16. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of this Subordinated Instrument under the Contracts (Rights of Third Parties) Act 1999.

17. Governing Law and Submission to Jurisdiction

- 17.1 *Governing law:* The Trust Deed, the Interbolsa Instrument, the Agency Agreement, the Subordinated Instruments, and any non-contractual obligations arising out of or in connection with the Trust Deed, the Interbolsa Instrument, the Agency Agreement and the Subordinated Instruments are governed by, and shall be construed in accordance with, English law save that, each of Condition 3 (*Status of the Subordinated Instruments*) and the form (*representação formal*) and transfer of the Subordinated Instruments, creation of security over the Subordinated Instruments and the Interbolsa procedures for the exercise of rights under the Subordinated Instruments are governed by, and construed in accordance with, Portuguese law.

EDP irrevocably and unconditionally waived any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.

To the extent allowed by law, the Trustee, the holders of Subordinated Instruments may, in respect of any Dispute or Disputes, take: (i) proceedings in any other court of any Member State in accordance with the Brussels la Regulation or of states that are parties to the Lugano II Convention; and (ii) concurrent proceedings in any number of the jurisdictions referred to in this Condition 17.2.

For the purposes of this Condition 17.2:

"**Brussels la Regulation**" means Regulation (EU) No 1215/2012 of the European Parliament and of the Council of 12 December 2012 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters, as amended;

"**Lugano II Convention**" means the Convention on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters, signed on 30 October 2007; and

- 17.3 *Appointment of Process Agent:* EDP has in the Trust Deed appointed Law Debenture Corporate Services Limited at its registered office for the time being (being at 19 May 2025 at 8th Floor, 100 Bishopsgate, London EC2N 4AG) as its agent for service of process in any proceeding and undertakes that, in the event of Law Debenture Corporate Services Limited ceasing so to act, it will appoint another person as its agent for service of process in England in respect of any Dispute. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.
- 17.4 *Other documents:* EDP has in the Agency Agreement submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Chairman may either (with the approval of the Trustee) dissolve such meeting or adjourn the same for such period, being not less than 13 clear days (but without any maximum number of clear days), and to such place as may be appointed by the Chairman either at or subsequent to such adjourned meeting and approved by the Trustee, and the provisions of this sentence shall apply to all further adjourned such meetings. - 8.2 At any meeting unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman, the Issuer, the Trustee or any person present holding a voting certificate or being a proxy or a representative (whatever the nominal amount of the Instruments so held or represented by him) a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 8.3 Subject to paragraph 8.4 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.

- (iii) a resolution which in the opinion of the Trustee affects the Instruments of more than one Series and gives or may give rise to a conflict of interest between the holders of the Instruments of one Series or group of Series so affected and the holders of the Instruments of another Series or group of Series so affected shall be deemed to have been duly passed only if passed at separate meetings of the holders of the Instruments of each Series or group of Series so affected; and
